

We are looking for a

Motion Graphics / After Effects Internship

Keywords: Motion graphics / internship / Graphic design / EU research

Job location: Zurich / Lausanne (Switzerland)

Contract: Internship, 6-12 months, possibility to join the Martel Media team as employee later on

Start date: Q1 2018

Salary: to be discussed according to the experience.

Holiday: 25 days per annum, plus statutory holidays

Job description and responsibilities

We are looking for an intern creative designer with up-to-date knowledge to work with our Media team to provide creative solutions for our communication department and in particular for the development of video animation and motion graphics:

- + Create video animation and motion graphics for our research projects
- + Support the Martel Media team in their current activities (mostly graphic design, web design and video editing)
- + Possibility to work at home with your own equipment
- + Attendance to scheduled face to face check meetings either in Zurich or Lausanne
- + Traveling to events and project meetings in Europe (or occasionally outside Europe) might be entailed

Requested Skills

- + Visual communication background and graphic design, you are currently at the end of your studies and looking for an internship from 6 months to 1 year
- + You have strong skills on the latest versions of AfterEffects and Premiere Pro.
- + You have good knowledge on graphic design (Indesign, Illustrator, Photoshop...)
- + You will evolve in an international context and English is essential
- + You are known for your creativity, your involvement and your sense of detail
- + You have a good knowledge of web and graphic cultures, as well as an interest in new technologies
- + You have good interpersonal skills and a sense of teamwork
- + Good spoken (and possibly written) English – official corporate language

Desirable

- + Video shooting assistance skills (image, lighting, sound...)
- + You have knowledge in web design specially in WordPress environments
- + You are familiar with printing tasks
- + Other spoken EU languages

Do you want to apply?

Send:

- + Your CV
- + Cover letter (clearly elaborate on why you are the right person for the job)

via email to **careers@martel-innovate.com** indicating "Motion Graphics Internship" in the subject.

About Martel Innovate

Based in Zürich, with offices also in Lugano, Martel is an innovative and dynamic SME specialized in the management, innovation and promotion of international Research and Development projects with a focus on advanced Internet technologies, such as 5G, IoT and Cloud.

Martel, with more than 20 years' experience in the European and Global ICT scene, includes three departments that work side by side to deliver the best quality to its customers:

- + Martel Consulting, a department specialised in R&D Project and Innovation Management and Strategic Consultancy, focusing on the coordination of H2020 projects;
- + Martel Media, a division specialised in dissemination, communication, marketing and community building activities at the service of ICT initiatives and projects;
- + Martel Lab, a R&D department specialized in cloud native architectures, spanning from cloud computing infrastructures to cloud computing as an enabler in different application fields such as: Big Data, IoT, NFVI and Smart Cities.

Martel's team is an international and dynamic group of people that combine skills and expertise from different domains, including business, technological, scientific, communication and marketing sectors.
